Please fax submissions to 866-841-6645 or e-mail them to sbucge@chartisinsurance.com

Loss Control & Claims Services

- Loss Control by Energy Risk Specialists and Engineers
- Access to a Network of Dedicated Experts and Top Legal Firms

An Integrated Approach

With Global Marine and Energy's primary casualty and excess casualty underwriters working hand-in-hand together, we are able to create efficient, comprehensive coverage for small and middle market energy related businesses, minimizing coverage gaps and overlaps. The integrated structure of this unit provides efficiency to our clients and allows prompt review of applications and fast response turnaround.

Small business and middle market enterprises can now benefit from the extensive energy risk management expertise that Global Marine and Energy has brought to the largest, most complex energy risks for decades.

Global Marine and Energy is a division of Chartis.

Please contact your local GEMM representative or Julio Gomez at 646-857-1255; email: julio.gomez@chartisinsurance.com for further assistance.

Chartis is a world leading property-casualty and general insurance organization serving more than 40 million clients in over 160 countries and jurisdictions. With a 90-year history, one of the industry's most extensive ranges of products and services, deep claims expertise and excellent financial strength, Chartis enables its commercial and personal insurance clients alike to manage virtually any risk with confidence.

Chartis is the marketing name for the worldwide property-casualty and general insurance operations of Chartis Inc. For additional information, please visit our website at www.chartisinsurance.com.

All products are written by insurance company subsidiaries or affiliates of Chartis Inc. Coverage may not be available in all jurisdictions and is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain coverage may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
