

Insurance solutions for your world

Finding New Ways to Lead

We have established ourselves as a world leader in insurance by helping our partners and customers realize their own plans for the future. Backed by 90 years of outstanding underwriting experience, our fundamental strength lies in the 34,000 employees who serve more than 40 million clients in over 160 countries and jurisdictions.

Every day, our people deliver commercial and personal insurance offerings through hundreds of innovative products and services. By counting on us to meet their unique insurance needs, our clients are able to pursue a secure course toward their goals.

Partnering With Our Customers Along Their Way

You can be sure that you have a dedicated partner in Chartis, one who will take on your challenges as its own. By meeting straightforward needs as well as solving complex issues, we make your confidence our number one priority. Whether the need is as fundamental as insuring a home, or as nuanced as covering environmental exposures, we're committed to delivering what matters most to you.

A brief accounting of the facts shows why clients can count on us:

Financial strength highlighted by the fact that we paid an average of \$71 million in claims worldwide every business day in 2008:

- In 2008, Chartis companies wrote nearly \$50 billion in gross written premiums worldwide.
- Objective sources confirm our company's strong financial standing. From rating agencies to broker assessments, metrics in the insurance industry indicate that Chartis remains one of the most financially secure insurance organizations.

Our world-class talent has the know-how to assess vulnerability and underwrite the most complex risks—delivered through a local presence that enables Chartis to respond rapidly when unforeseen events occur.

- As a leader in general insurance, we cultivate talent across the full range of insurance functions and related specialties including, among others, litigation management, loss control and engineering.
- Chartis is committed to developing local teams who understand the importance of creating solutions that fit the culture and region.

We continue to develop new and industry-leading products and services, and also offer the ability to develop tailor-made solutions when existing offerings do not meet client needs.

- Our culture derives from our entrepreneurial roots and pioneering spirit. It is this spirit that drives us to help our customers create success. By answering customers' insurance needs today, and anticipating tomorrow's, we ensure security and stability.
- With an impressive track record of developing innovative products and services, we have established ourselves as an enterprising insurance provider.

We maintain an unwavering commitment to building customer service excellence and to supporting our clients.

- At Chartis, we are not satisfied just by solving a client's immediate and most significant insurance issues. We maintain an ongoing dialogue with customers in order to continually improve the level of service we provide.
- We are focused on responding to client feedback, and aim for each client relationship to be a true partnership.

No matter what your business or need, we deliver the deep resources and commitment that enable you to pursue your goals with confidence.

Commercial Insurance

Every day, our people bring a critical measure of confidence to the plans and projects of businesses like yours. We provide commercial insurance products and services to the full spectrum of enterprises all around the world—from large, multinational, and mid-sized companies to small businesses, entrepreneurs, and non-profit organizations.

Our offerings span traditional insurance categories such as property and casualty, and extend to new areas like political risk and crisis coverage. We also offer a breadth of products designed to meet the special requirements of particular industries.

As your needs evolve, so do our offerings: We maintain an ongoing dialogue with our diverse client base in order to identify emerging risks and respond with innovative underwriting solutions.
