

Commercial Risk

For more than 20 years, Commercial Risk has been one of the largest providers of sophisticated primary casualty and alternative risk solutions for large corporations with annual revenue of up to \$700 million. No matter what exposures clients may face, our dedicated team of underwriters will work to design a coverage plan that meets their unique insurance needs.

Through the vast resources available from Chartis, we can combine and coordinate our programs with a full spectrum of products, services and financing program structures. Our ability to create a complete risk management program for our clients ensures that we deliver innovative solutions that effectively mitigate risk.

Chartis is a world leading property-casualty and general insurance organization serving more than 45 million clients in over 160 countries and jurisdictions. With a 90-year history, one of the industry's most extensive ranges of products and services, deep claims expertise and excellent financial strength, Chartis enables its commercial and personal insurance clients alike to manage virtually any risk with confidence.

Chartis is the marketing name for the worldwide property-casualty and general insurance operations of Chartis Inc. For additional information, please visit our website at www.chartisinsurance.com.

All products are written by insurance company subsidiaries or affiliates of Chartis Inc. Coverage may not be available in all jurisdictions and is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain coverage may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
