

Chartis is the marketing name for the worldwide property-casualty and general insurance operations of Chartis Inc. All products are written by insurance company subsidiaries or affiliates of Chartis Inc. Coverage may not be available in all jurisdictions and is subject to actual policy language. Certain products may be in the development stage and not yet finalized or approved for offer or sale. Non-insurance products and services may be provided by independent third parties. Certain coverage may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
