

Long-Term Care Exposure

Industry	Healthcare
Motivation	Market conditions and company losses resulted in primary professional liability exposures being difficult to place. A long-term healthcare provider sought to self-insure the primary layer in an efficient manner that would facilitate the purchase of excess insurance and meet its regulatory requirement to provide evidence of insurance.
Coverage	Claims made and reported General Liability and Professional Liability
Term	3 years
Limit	\$1 million per claim excess of retention; \$3 million per facility aggregate; \$4 million policy period aggregate limit
Retention	\$100,000
Notional Experience Balance	<ul style="list-style-type: none"> > Function of the deposit premium less loss payments plus interest credited > \$4 million
Potential Benefits	<ul style="list-style-type: none"> > Enables the company to satisfy certificate of insurance requirements > Provides policy form meeting all of company's coverage requirements > Offers multi-year solution which allows company to insulate itself from vagaries of insurance market cycle > Establishes the primary insured program as a base for building excess coverage > Allows the company to benefit from favorable loss experience

Risk Solutions is a division of Chartis, the marketing name for the worldwide property-casualty and general insurance operations of Chartis Inc. For additional information, please visit the Chartis website at www.chartisinsurance.com or the Risk Solutions website at www.chartisinsurance.com/us/globalrisksolutions. In the United States, all insurance products are written by insurance company subsidiaries or affiliates of Chartis Inc. Non-insurance products and services may be provided by independent third parties or Chartis' non-insurance affiliates. Scenarios and descriptions are offered only as summaries and illustrations and may not include all terms, conditions and exclusions of the insurance policies and financial products described herein. Please refer to the final insurance policy or other financial product documentation for complete terms, conditions and exclusions, which may vary based on individual jurisdiction or account-specific requirements. All submissions are subject to underwriting guidelines and underwriting review and approval. Certain insurance coverages or financial products may not be available in all jurisdictions. This presentation does not constitute an offer to sell any of the insurance coverages or other financial products described herein. We do not provide legal, credit, tax, accounting or other professional advice, and you and your advisors should perform your own independent review with respect to such matters as they relate to your particular circumstances and reach your own independent conclusions regarding the benefits and risks of any proposed transaction or business relationship. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds. Certain products and programs are in the development stage and are not yet finalized or approved for offer or sale. Pending final development and approval, such products and programs may involve insurance, loans and other financial products.
