### **Chartis Expands NextGen Protection<sup>SM</sup> to Cover Additional Industries**

NEW YORK – September 2, 2010 – Chartis today announced the expansion of NextGen Protection, a suite of environmental insurance solutions developed by its Environmental Division.

The additional industry segments within the NextGen Protection suite are:

#### *EAGLE TopCoat Protect for Manufacturers of Coatings, Paints and Sealants*

EAGLE TopCoat Protect has been developed for manufacturers of coatings, paints and sealants that may face a variety of environmental exposures, such as the handling, storage and disposal of industrial and architectural paints and coatings. A manufacturer in these situations may be exposed to third-party claims alleging bodily injury, property damage or environmental contamination.

#### *EAGLE AgriProtect for Manufacturers of Fertilizers, Pesticides, and Herbicides*

EAGLE AgriProtect has been created to address specific exposures associated with the manufacturing and distribution of fertilizers, pesticides and herbicides. Agricultural manufacturers of these products blend or mix hazardous and non-hazardous chemicals with organic and inorganic materials to create an end product. Fertilizers, pesticides and herbicides – along with their ingredients and waste materials – have the potential to cause third-party bodily injury and property damage as well as environmental contamination from storage, handling or disposal.

Coverage provided by NextGen Protection's EAGLE TopCoat Protect and EAGLE AgriProtect enhances the Chartis insurers' market-leading Environmental and General Liability Exposures (EAGLE) Program<sup>®</sup>. EAGLE provides a comprehensive insurance solution, incorporating standard general liability coverage with the added value of pollution coverage in one policy.

The NextGen Protection suite currently includes PLL Wellness Protect<sup>SM</sup>, PLL Campus Protect<sup>SM</sup>, EAGLE TopCoat Protect and EAGLE AgriProtect. For more information regarding NextGen Protection, please contact 1-800-348-4314 or send an e-mail to [environmental@chartisinsurance.com](mailto:environmental@chartisinsurance.com).

#### **About Chartis**

Chartis is a world leading property-casualty and general insurance organization serving more than 45 million clients in over 160 countries and jurisdictions. With a 90-year history, one of the industry's most extensive ranges of products and services, deep claims expertise and excellent financial strength, Chartis enables its commercial and personal insurance clients alike to manage virtually any risk with confidence.

**Chartis is the marketing name for the worldwide property-casualty and general insurance operations of Chartis Inc. For additional information, please visit our website at <http://www.chartisinsurance.com>. All products are written by insurance company subsidiaries or affiliates of Chartis Inc. Coverage may not be available in all jurisdictions and is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain coverage may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.**
