Other Information We Collect

We and our third-party service providers may collect Other Information in a variety of ways, including:

- **Through your internet browser:** Certain information is collected by most websites, such as your IP address (*i.e.*, your computer’s address on the internet), screen resolution, operating system type (Windows or Mac) and version, internet browser type and version, time of the visit and the page(s) visited. We use this information for

purposes such as calculating Site usage levels, helping diagnose server problems, and administering the Site.

Below is a description of all the cookies we use on our Maltese website, what they do, what data about you they collect and what we use them for:

- **Geo Location cookie** – When a visitor visits one of our sites for the first time we read their location from their IP address and use this information to assume the country site that they want to visit. This method is not entirely accurate, however, so when they navigate to a particular country site we use a cookie to store this information and to store the language that they chose to view the site. The next time they visit the site we read the cookie and present the same country and language version they used on your last visit. This has the intended benefit that they don't need to reselect the country site they need each time they come to the site. No Personal Information is collected or used by the cookie.
- **Site Catalyst cookie (by Adobe)** – This cookie enables us to collect and analyze data about how visitors arrive at our site and then how they interact with our site, including products they may search, content they may view, and the steps leading up to a completed or abandoned sale. We use this aggregated information to adapt our sites to better serve their and other users' needs and interests, and to provide more relevant and useful information. The cookie is placed on a visitor's PC on a temporary basis only. The cookie does not collect or use their Personal Information. Instead, it logs an anonymous code which identifies users and this code "follows" the user in their journey through the site. We use the aggregated and anonymous information for statistical analysis.
- **DoubleClick cookies** - We place a tracking pixel cookie on to all site visitors' PCs, for the purpose of our banner advertising activity. We use these cookies to know that a visitor has been on our site before and to then place display an appropriate banner ad on to an affiliated network website. No Personal Information is collected. One of the advertisement companies that we use is Google, Inc, trading as DoubleClick. For more information on the DoubleClick cookie, or to opt out from the DoubleClick advertisement cookie please visit: <http://www.google.com/privacy/ads/>.
- **Affiliate cookie** – We use a tracking pixel cookie, which is put on a visitor's PC and collects only the transaction ID (which identifies the any affiliated website the visitor has come from) and a time and date stamp. This enables our affiliate network to track affiliated sales and ensure an affiliate is credited for a sale referred to us. It does not involve any passing of Personal Information.
- **Optimost cookie** – We use this cookie to collect anonymous session information, which tells us when the cookie was put on a visitor's PC, what segment, wave, and creative version it was from. The cookie has an anonymous "visitor id" which is a random number generated to identify a visitor, to distinguish between unique and/or repeat visitors. These cookies do not collect Personal Information. To view the Optimost privacy policy, please visit: <https://asp.optimost.com/avatar/privacy-policy>

You can refuse to accept the cookies we use by adjusting your browser settings. However, if you do not accept these cookies, you may experience some inconvenience in your use of the Site and some online products.

- **Using pixel tags, web beacons, clear GIFs or other similar technologies:** These may be used in connection with some Site pages and HTML-formatted e-mail

messages to, among other things, track the actions of Site users and e-mail recipients, measure the success of our marketing campaigns and compile statistics about Site usage and response rates.

We use Adobe's Omniture analytics service, which uses cookies and web beacons to help us understand more about how our website is used by consumers so we can continue to improve it. Adobe does not have the right to use the information we provide to them beyond what is necessary to assist us. For more information on Adobe's Omniture service, including how to Opt-Out, go to <http://www.omniture.com/privacy/policy#optout>.

- **From you:** Some information (for example, your location or preferred means of communication) is collected when you voluntarily provide it. Unless combined with Personal Information, this information does not personally identify you.
- **By aggregating information:** We may aggregate and use certain information (for example, we may aggregate information to calculate the percentage of our users who have a particular telephone area code).

Please note that we may use and disclose Other Information for any purpose, except where we are required to do otherwise under applicable law. If we are required to treat Other Information as Personal Information under applicable law, then, in addition to the uses listed in the "*Other Information We Collect*" section above, we may use and disclose Other Information for all the purposes for which we use and disclose Personal Information.
