

Specialty Workers' Compensation

Specialty Workers' Compensation is among the nation's largest writers of workers' compensation insurance for small to mid-sized businesses, as well as Longshore exposures. Given our continued, long-term commitment to this critical market segment, our customers have come to depend on us for the delivery of focused workers' compensation programs and superior service.

Coverage is available under all guaranteed cost rating plans and administered through one of the industry's most robust and comprehensive web-based platforms.

RiskTool System

An online loss prevention and risk management tool available free to all in-force policyholders that provides a customizable platform to:

Monitor and predict loss exposures with advanced analytics and reporting features

Build and administer risk management programs such as safety policies and audits

Standardize loss control practices across an organization

Access extensive training resources and global risk and safety information

eWorkersComp

Available to appointed brokers, eWorkersComp is a web-based quote and order system that gives you the ability to configure small and mid-sized programs online in real time. This market-leading tool has an expansive class eligibility that can accommodate accounts between \$2,000 and \$250,000 in most states.

Product Highlights

- First dollar guaranteed cost programs
- Multi-state capabilities
- Nationwide coverage
- State and Federal Act coverages available
- Broad eligibility criteria that includes service, retail, wholesale, construction and transportation class codes
- Group programs available

System Highlights

- Designed for accounts with less than \$250,000 in manual, unmodified premiums
- Comprehensive menu of high-tech features
- Cutting-edge rating platform
- Fast and efficient quote process
- Oversight from our dedicated underwriting teams

Longshore Exposures

Comprehensive programs for employers subject to the U.S. Longshore and Harbor Workers' Compensation Act (USL&H).

- USL&H coverage is available in most states, including those with monopolistic state WC funds
- Coverage for a full spectrum of marine-related risks, including stevedoring and marine terminals; ship repair, maintenance and building; marine construction; offshore service contractors and labor providers
- Longshore Small Business Program for accounts starting at \$5,000 to \$130,000 in premium is available to select marine brokers. Accounts above \$100,000 can be submitted directly to our regional underwriting teams

Chartis is a world leading property-casualty and general insurance organization serving more than 45 million clients in over 160 countries and jurisdictions. With a 90-year history, one of the industry's most extensive ranges of products and services, deep claims expertise and excellent financial strength, Chartis enables its commercial and personal insurance clients alike to manage virtually any risk with confidence.

Chartis is the marketing name for the worldwide property-casualty and general insurance operations of Chartis Inc. For additional information, please visit our website at www.chartisinsurance.com.

All products are written by insurance company subsidiaries or affiliates of Chartis Inc. Coverage may not be available in all jurisdictions and is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain coverage may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
