

Risk Retention/Risk Purchasing Groups

As part of our ongoing commitment to offer market-leading solutions that address our clients' evolving needs, the Transportation division now offers risk management solutions for fully licensed and organized Risk Retention and Risk Purchasing Groups with homogeneous classes of vehicular business. Whether it's a start-up operation or an established RRG/RPG, Chartis can design custom primary casualty programs to facilitate the realization of benefits associated with these group structures.

Program Highlights

- \$1 million combined single limit; higher limits available
- \$3-5 million minimum premium
- Auto Liability and General Liability only
- Risk-based rate structures
- Fronting capability available
- Nation-wide footprint with local regulatory expertise

In support of these programs, Chartis also offers development and ongoing management of Risk Retention and Risk Purchasing Groups through our Captive Management Services. This insurance management operation offers a full range of consulting and administrative services, including:

- Feasibility studies and utilization reviews
- Formation, structure and design recommendations
- Re-domiciliation advice
- Capital raising guidance and investment management

Chartis is a world leading property-casualty and general insurance organization serving more than 45 million clients in over 160 countries and jurisdictions. With a 90-year history, one of the industry's most extensive ranges of products and services, deep claims expertise and excellent financial strength, Chartis enables its commercial and personal insurance clients alike to manage virtually any risk with confidence.

Chartis is the marketing name for the worldwide property-casualty and general insurance operations of Chartis Inc. For additional information, please visit our website at www.chartisinsurance.com.

All products are written by insurance company subsidiaries or affiliates of Chartis Inc. Coverage may not be available in all jurisdictions and is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain coverage may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
