

Cat Excess Liability

CrisisResponse® XS

When a crisis strikes, a company must act swiftly to mitigate losses and prevent damage to its reputation. CrisisResponse® XS, a new insurance solution from Cat Excess Liability, is provided to insureds whenever the lead umbrella policy from a Chartis insurer provides CrisisResponse coverage. CrisisResponse provides immediate access to funds needed to expedite recovery in the event of a potentially catastrophic casualty crisis.

Crisis Response XS provides additional limits outside of the policy limit.

Cat Excess Liability, a division of Chartis, is a leading provider of world-wide catastrophic excess casualty and financial lines insurance solutions.

Coverage Highlights

- Provides up to \$250,000 additional limits outside of the policy limit and excess of the Chartis insurer's lead umbrella policy, for immediate use following a crisis management event
- CrisisResponse payments can help pay crisis management costs that would be covered as damages under the commercial umbrella policy
- Covered expenses may include temporary living, travel, psychological counseling, medical, and funeral expenses
- 24-hour, toll-free crisis hotline to trigger CrisisResponse

Product Recall Enhancement

A product recall enhancement is also available that expands coverage to include expenses incurred by the recall, inspection, or disposal of a product that results in a crisis management event.

Limits/Retention

CrisisResponse XS provides up to \$250,000 (in addition to the policy's limits of insurance).

This coverage is excess of the Chartis lead umbrella policy CrisisResponse limits.
